

## State J.C.L.

Friday and Saturday, April 2 and 3, were the two big days for Latin students in Florida. Those two days were the days of the State Latin Convention, held in Tarpon Springs this year. Landon was well represented with Kathy Mayo, Howard Cox, Deana Gilmour, Barry Michelson, Mose Meide, Kay Coalson, Doris Tappen, and Karen Gustavson, going as contest delegates. Phyllis Schemer, Chris Brannam, and Mary Lee Barnhill attended as Landon's voting delegates while Anne Rice went as the Florida State J.C.L. recording secretary. Once on the way, along with Terry Parker and duPont on the same bus, many of the delegates could be found studying, eating, or just plain talking with new friends. After a short stop at Ocala, it was onward to Tarpon Springs.

Upon arrival of the bus at Tarpon Springs High School, the different delegates were greeted by a welcoming line. After a picture taking session by newsmen, it was on to the Arcadia Motel, home for the stay in Tarpon. Dinner followed at the Pappas's a Greek restaurant, with almost everyone ordering a Greek salad; later, during the early evening, the usual skits were presented. The uniqueness was that instead of being in an auditorium, the skits were on a barge on the town lake, while the different delegates sat along the terraced banks. A street dance on the tennis courts was next. A great time was had by all. It was after 12:30 that anyone saw a bed that night.

The next day was just as hectic as the first. First, breakfast at the school, then the contests in various rooms. While the contestants were busy so were the voting delegates; they were attending the business meeting and listening to the candidates running for the various state offices. A tour followed for the contestants while the business delegates had their lunch. Among the places visited were the famous Tarpon sponge docks, where a sponge diving exhibition was given, and the Tarpon Greek Orthodox Church, where an address of welcome was given along with an explanation of the church's architecture. The afternoon saw the second business meeting and presentations of awards. Three Landon students, Doris Tappen, Anne Rice, and Howard Cox joined in with all those who had attended the National Convention last August, in singing the national J.C.L. song. During the awards Landon won first place for her scrapbook and fourth place for the sweepstakes in the State. Both Kathy Mayo and Barry Michelson won second place ribbons; Kathy for mythology and Barry for Latin 1.

It was soon time to leave and hasty farewells were said to every new friend. On the way home the bus stopped at Weeki Wachee Springs where the delegates ate and saw the Mermaid Show. It was on to Jacksonville and home about 10:30 at night. Never were there so many kids who didn't have to be told to get to bed.

## 20 Juniors Selected For National Honor Society

On Thursday, April 15, twenty juniors were named to the Landon High School National Honor Society. They will be members of the Wolfson High School Chapter of the National Honor Society next year.

The students were required to have at least a 3.1 (B) average to qualify for membership in the organization. They met with N.H.S. sponsor, Miss Eleanor Bryant. Miss Bryant has worked tirelessly for the club for many years. They were given instructions on the induction to be held on April 27th at the Green Turtle Restaurant. They will be required to proclaim their high ideals of study and good character, and they will pledge to maintain these high standards.

Chosen for the honor were Stephen Klausner, Donald Safer, Bob Glenn, Sandy Dunn, Pat Granger, Ricky Kraemer, Gail Price, Karen Quig, Marion Matthews, Mike O'Neal, Janet Crossley, Dale Duke, Ann May, Kathy Mayo, Jack Mizrahi, Leonard Selber, Mike Smith, Wade Steffen, Cheryl Sussman, and Stacy Wolf.

## French Congress Invades Miami

On Thursday morning, April 1, twenty bright-eyed French students from Landon joined seventy others from Jacksonville to travel down to Miami via Jax Coach. Our trip down was uneventful except for our "short" rest stop . . . remember that poor gas station??

Our arrival in Miami was preceded by a short excursion around the city before our driver located the hotel. We then had twenty minutes for a peaceful dinner, then off we went to Barry College where we viewed plays and skits. Of the six that were given awards, our play rated an Honorable Mention. We wearily made our way back to the hotel around midnight in order to be up at six the next morning.

Beginning at 9 a.m., poem recitations began followed by extemporaneous speeches. Landon won the following:

First year poem:  
Cynthia Horton . . . . . Excellent

Second year poem:  
Lauren Lucas . . . . . Good

Third year poem:  
Judy Edwards . . . . . Good

Fourth year poem:  
Ann Klein . . . . . Excellent

Classe Ouverte:  
Vivi-Ann Kwick . . . . . Honorable Mention

Second year extemp:  
Connie Blauer . . . . . Excellent

Third year extemp:  
Rory Jenkins . . . . . Good

Fourth Year Extemp:  
Hugo Arce . . . . . Good

Scrapbook: Mike Goettee and Donna Edenfield . . . . . Excellent

We returned to the hotel at 4 and spent the next two hours shopping around Miami. Some lucky few even went to the beach. At 6:30 our banquet began, followed by a dance. During the dance our entertainment was furnished by Glenda Wyatt singing "Autumn Leaves" in French.

Saturday morning began at Barry with discussion groups in which Robert Spear, Jennifer McGraw and Barby Wales participated. Following these, we elected officers at the business meeting and voted to hold the Congress at Jacksonville University next year.

The climax of the Congress was the awards luncheon held at the hotel. Amid much cheering, certificates were given to the chosen few (1/3 of the participants). Landon was the highest in the county and fifth in the state.

Needless to say, we had a very quiet trip back with everyone attempting to regain the sleep that he had lost during the weekend!

## Joan Malmborg Chosen Homemaker Of Tomorrow

Joan Malmborg has been named Landon's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written home-making examination taken by senior girls Dec. 1, and is now eligible for state and national honors.

Test papers of all school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking girl will receive a \$1,500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, with the state runner-up to be awarded a \$500 educational grant. In addition, the school of the State Homemaker of Tomorrow will receive a complete set of the Encyclopedia Britannica from Encyclopedia Britannica, Inc.

Later this spring, the State Homemaker of Tomorrow, together with a school advisor, will join first-place winners and advisors from each of the 50 other states and the District of Columbia in a tour of Colonial Williamsburg, Va., Washington, D.C., and New York City. Climax of the week-long tour will be the naming of the Betty Crocker All-American Homemaker of Tomorrow. To be chosen on the basis of original test score and personal observation and interviews during the tour, she will receive an increase in her scholarship to \$5,000. Sec-

## The Future of Wolfson High School

How can Landon shed 37 years of tradition, align with a traditional rival, and still help to create from an inanimate brick construction a close-knit community of learning and social organizations? This is the problem facing you today. This June will bring to a close the existence of Landon and duPont as senior high schools, and a potentially great school will rise to take their place. It is up to you to see that this abundance of potential will be utilized expediently and efficiently. The first few classes that graduate from Wolfson High will determine her future. "As the twig is bent, so is the tree inclined." Though this may sound trite, it is undeniably true. Only by a critical analysis of the problems and opportunities facing the students can the pattern of what must be done be determined.

Wolfson must utilize only the best of what each school has to offer. I extend a challenge to the individuals of each school, especially the leaders of respective organizations, to critically select those facets of high school life that are beneficial and to see that they are instituted from the outset in the Wolfson community. This must be accomplished without prejudice towards the tradition of either old school. An administration-faculty-student system of cooperation must be established before any undertaking may become successful. This must be the respect of individuals who have respect for other individuals and who do not blindly insist upon their own plans. It is up to all persons who will become a part of Wolfson not to let her regress into a state of stagnation; an inactive school program is not conducive to scholastic excellence. Academic achievements will mean much more to students who can actively participate in a variety of the facets of school life. To accomplish this, all barriers of prejudice between Landon and duPont must be erased; The "I" of Landon must become the "we" of Wolfson.

The successful existence of many organizations is at stake. The time to resolve the problems that face their continuation at Wolfson is now, not next year. There should be joint meetings of the respective organizations of the two schools, preferably attended by members of the new administration. This will save much confusion and uncertainty in the future. As the representative organization of the student body, the Student Council of Wolfson will be the main promoter of school unity. It is mandatory that Landon and duPont hold joint Student Council meetings immediately to determine their role at Wolfson. The administration should be present at these meetings and the order of business should include the type of Student Council organization would be most beneficial for the new school. Personally, I feel that for a senior high school, a student government patterned after the federal government is the most desirable. (The reasons behind this opinion are too numerous to enumerate here; however, I am sending Mike Burton two sample high school constitutions based on this idea. If you wish to know more about it, contact Mike or write me at Davidson, North Carolina.) Only through the unselfish cooperation of all students may a successful program be initiated.

The future of your new high school depends upon your attitudes and enthusiasm. You can make or break a great school; the cooperation of each of you is a necessity for a successful school community. If you will recognize and grasp the great potential offered you by the new school, Wolfson will achieve undreamed of heights; if you fail, so will she. Hold on only to the good of the past and keep looking to the future. The honor that Landon and duPont have achieved will be reflected through the achievements of Wolfson. Forget the prejudice of the past and united, look to the greatness of the future.

Hi! I hope every one had a great Easter vacation, although studies might have kept you pretty busy.

The Beaches are being stormed by Landon students, who are either trying to learn to surf or are going for the sun!! Everytime I get there the sun stops shining and so I end up as pale as ever! Most of the boys like Howard, Jimmy, and McEvoy wear football jerseys in hopes of snowing girls. Patty Jo A., Cheryl M., and Harriett B. have the mark of the sun written all over them!!!

It finally happened! Term papers are over for most Seniors. It was a hard struggle especially if you waited till the last day. I know Marka B. was drawing her cover ten minutes before class, Fran was typing Howard's over during third period, but most people just left theirs like they were—wrong!!

Have you ever gone to the drive-in and found out the next day that Bill P. and Jimmy B. were on one side of you and Jack and Jane were on the other side? For some people it could prove to be embarrassing.

Congratulations to all of the members of the French Club who participated in the recent French Congress in Miami. Ann K. got bored at the hotel so she caught a taxi to Miami Beach. Barby Wales, Sheri L., and Judy E. had such a great time that they left the dance at 9:30.

### DID YOU SEE...

The Physics grades... Marka B. playing tennis... sixth period Home Ec. and their aprons... Kit calling a certain senior girl "tough"... Nancy's and Arlene's blind dates... Ronnie E. and Richard M. at the drive-in... people looking for the WPDQ \$1,000 contest... Mayo Clinic diets... Steve D. "out to lunch"... the fugitive... George and Warren trying to grade their own papers... the gorgeous costumes worn by Marilyn, Marli, Laurie, and Lauren in the Senior Class Play... Evelyn and Marka making supper for Charles and Anthony... Howard and Fran's divorce... Ronnie Clark at the prom... Susan O. and David at the Miss Senior High Contest... Ricky R. disgraceful performance at the Southside library... the Secret Storm fans (Janice, Marli, Sandy, Ronnie, Francine, etc.)

## Seventh Grade Scandal

Did you hear that Patty (the little girl with the big Hart) flunked Home Ec?

Did you hear that Susan Howarth was reading Beard's "Basic History of the United States"?

Did you hear that Jameel Farah hammered a nail into his finger in shop?

Did you hear that Marcia Kramer was sick because she went downtown barefoot and the pavement was cold?

FLASH!! Don't be surprised—You'll be seeing less and less of Bill Smith as the days go by—since he drank that disintegrating potion.

Did you hear that Sharon Wyatt has applied for Bolles?!

Did you hear that Steve Landon shot a ball at one of his teachers?

"Produced by  
Harriett Boatwright"

Pictured above are Landon's two Most Talented Seniors—Marli and George.

George is a member of Senior Fellows, Thespians, and the International Friendship Club. He is also in the Landon Singers.

When it comes to likes and dislikes, George likes folksinging. He is at present singing with Warren Williams and Robert Mott in a trio called the New Frontier Singers. If you've never heard them sing at one of our talent shows or elsewhere, you're really missing something—they're GREAT!

George likes the music of Peter, Paul, and Mary and the Beach Boys. I guess it's anything as long as it has to do with folksinging. His favorite food is steak.

On dates, a girl who likes to have a good time is George's preference. In the future, George

ond, third and fourth-place winners in the nation will have their grants raised to \$4,000, \$3,000 and \$2,000, respectively.

The Betty Crocker Search for the American Homemaker of Tomorrow was initiated by General Mills in 1954 to emphasize the importance of homemaking as a career. Including this year's record enrollment of more than half a million senior girls in more than 14,000 high schools, the total number of participants during the program's 11-year history stands at four million. Scholarship grants exceed \$1 million.

Joan has always been very interested in the art of home-making. In the Betty Crocker test, Joan had to write an essay on homemaking, and she was tested on how she would react to various situations in the home. Joan enjoys cooking and sewing. She won a trip to Raleigh, North Carolina, to compete in a nation-wide sewing contest sponsored by the Singer Sewing Center. She was also Florida's winner in a sewing contest sponsored by the American Wool Council. In both competitions, she made a suit. Joan has also participated in the Senior Girls' Club, A.F.S., and J.C.L.

plans to attend St. Johns Junior College where he will major in business administration. With a talent such as George's, music should be his specialty, for his talent will always be known.

Here she is—lively, boisterous Marli Albright—always full of life and "Rarin'" to go! Marli, alias Cornelia, in the Senior Class Play, is this year's Landonian Production Editor, member of Quill and Scroll, Thespians, and is Secretary of Landon Singers. She has been a member of the Letterettes for the past two years and was recently a model for the Senior Girls' Fashion Show.

Marli's favorites in sports are basketball and swimming. She was also a Senior Fellows' Cheerleader. Recently Marli played Rosie in "Bye-Bye Birdie" and is presently entered in the Miss Senior High Pageant. Her favorite vocalist is Connie Francis and her favorite food is, as she put it "Anything Fattening!"

Marli is known and will always be remembered as being fun! It's just the way she is. It just stands to reason that on a date she loves someone who likes to have a good time and laugh. She likes J-Notes Dances and movies and to be with loads of friends. Anytime you're with her, you just naturally have a ball, 'cause Marli's just full of fun and she makes everybody happy—NO KIDDING!!

In the future, Marli plans to be a dental hygienist but also hopes to pursue a career in musical comedy. Marli will make a hit wherever she goes because of her fabulous personality and great sense of humor.

MEET MANNING ODOM AND  
BOBBY KRAWIEC

This girl in the picture above is one of the peppiest and busiest freshman girls at Landon. She is Manning Odom. Manning participates in many clubs and activities. She is Vice-President of the Junior High Chorus, Social Chairman of Ninth Grade Y-Teens, belongs to the Spanish Club, and Junior Cotillion. Also she is one of the most popular Freshman girls.

In her spare time, Manning follows the habit of most girls and likes to talk on the telephone. She enjoys the music of the Beach Boys and the Song "Game of Love." Her favorite dish is steak and her favorite color is yellow. She considers Chorus and English her favorite subjects.

When asked her pet peeve, Manning said that she especially dislikes people who act "put on." In a boy she likes one who is good-looking, has a great personality, and likes to have fun.

After finishing high school, Manning hopes to attend Salem

College and to study elementary education. She has all the ingredients for being a big success.

This good-looking boy above is well-known to every Freshman at Landon. He is Bobby Krawiec.

Bobby believes in having fun. He is a member of the Junior Cotillion and when he is not busy, Bobby fills his spare time with going to the beach, participation in athletic activities, and sleeping and eating.

The music of the Beach Boys really meets Bobby's approval and his favorite song is "Keep me Waiting." If he could only eat one thing, Bobby would choose steak and pizza. Blue is his favorite color and his favorite subject is study hall.

Bobby stated definitely that his pet peeve is "DUMB PEOPLE." In a girl he likes one who is short, has a good personality, has a good figure, and is considerate.

In the future, Bobby plans to attend the University of Florida, and possibly study medicine. Undoubtedly Bobby's goals will be achieved with success.

## The Busy Man's Creed

I believe in the stuff I am handing out, in the firm I am working for, and in my ability to get results. I believe that honest stuff can be passed out to honest men by honest methods.

I believe in working, not weeping; in boasting, not knocking; and in the pleasure of my jobs. I believe that man gets what he goes after, that one deed done today is worth two deeds tomorrow, and that no man is down and out until he has lost faith in himself. I believe in today and the work I am doing; in tomorrow and the work I hope to do, and in the sure reward which the future holds.

I believe in courtesy, in kindness, in generosity, in good cheer, in friendship and in honest competition. I believe there is something doing, somewhere for every man ready to do it. I believe I'm ready—RIGHT NOW!

## fashion forecast

by marilyn  
klepper

In spring a student's fancy lightly turns to thoughts of . . . the beach and a suntan. For several weeks, full of beautiful, if boiling, weather we've all made out plans to go to the beach. And then when we went straight there, regardless of the fact that it might have turned cloudy and windy, etc. After all that, some really did get sunburns (or windburns) such as Caroline Mcalister, Vicky Anderson, Harriett Boatwright, Becky Barnes, Wendy Klein, Rozie Goldstein, and Geri Kirby.

However, I must admit I've made the beach scene two weekends and don't have a tan any more than what I have from gym. One silly girl I know spent all her free hours in a bathing suit in her back yard or at the beach, even though it takes forever to get a burn which usually peels right off anyhow. Her initials are B. S. and she writes the Gossip Column. Another reason so many people have been at the beach to find the Tire City Treasure, good luck all!!!

### THE SURFER

Speaking of the beach I think I'll bring up bathing suits. Of course the two-piece bathing suit is the thing, whether it is a bare midriff suit, a bikini brief suit, or a suit with an overblouse and a top. The word to remember is the "surfer." No matter what the suits look like, be it of madras, denim, knot, gingham, etc, it will

have a small pocket on the bottom back. If you are a true life surfer you'll know that the pocket is for waxing surf boards that is necessary to keep the board skimming on top of the water. If you aren't a surfer, I guess you can just wear the pocket as decoration.

### THE SHEER TOP NOTES

Want a cover-up that can't beat? Try a sheer see-through top. Perhaps you'll want a tea shirt of eyelit or open-air lace; how about trying a sea-through fishnet top; another variety is a lace shirt-jacket; perhaps an organdy yoked smock is what you'd like. Anyway they serve the purpose of covering you and yet they give peekaboo's everywhere, which gives a feminine touch to your seaside outfit.

### SHIFTS AND SHORTS

The cutest idea in a long time is the new combination of "Lilly" type shifts (the original shifts which have long slits up the side were designed by a Miami inhabitant) combined with matching bermudas. These are sporty outfits which are perfect for special occasions or nice places which don't require anything dressier than sportswear, but call for something nicer than jeans. I just saw them in Nancy Scotts and immediately bought my sister an outfit for her birthday (they fit me perfectly). I've also seen a similar outfit on Romalie Roesch who bought it at Cohens. They're mighty cute!

## Lion's Roar In St. Pete

On the morning of April 8, Thursday at eight-thirty, four excited girls left for the Journalism convention, which was held at the girls, on the Lion's Roar Staff, traveled to the convention in the car of Mr. Gordon Reeves, the sponsor of the Lion's Roar. The four representing Landon were Susan Davis, Peggy Mizell, Pam Copeland, and Cheryl Heipt. The convention which was held at the Soreno Hotel in St. Petersburg, lasted three days—Thursday, Friday, Saturday.

The purpose of this yearly convention is to acquaint the high school journalists with new ideas and techniques in putting out a publication. The Landon representatives also exchanged ideas with other schools on feature articles, advertising, and other important subjects. Most of the time was spent attending workshops headed by professors from various Florida colleges. These workshops which proved to be very valuable to all who attended, covered all aspects of putting out a successful publication.

Yet with all this work, there was plenty of fun to be had. Highlights were the banquet, dance, Quill and Scroll Breakfast, all of which brought the convention to a big close. Also, the girls were given time for sightseeing around the city.
